

The Golden Rules of Safety.

Preventing fatalities & major incidents.

1. **Incident Reporting** // We will report and investigate incidents so that the causes can be identified and corrected, and learning shared.

2. **Driving & Vehicles** // We will operate our vehicles safely and responsibly at all times and use the safety equipment provided.

3. **Permit to Work** // We will use the Permit to Work system where necessary to ensure hazards and risks are understood and controlled.

4. **Working at Height** // We will only work at height when the required safety measures to prevent falls are in place.

5. **Lifting Operations** // We will ensure lifting operations utilising cranes or other lifting devices are carried out safely.

6. **Contractor Management** // We will select and manage our contractors so that they meet Linde Group's safety requirements.

7. **Engineering Management of Change** // We will only proceed with technical changes to process plants and process equipment when an Engineering Management of Change process addressing the safety risks has been completed.
